UPDATE: COVID-19 Information for Saratoga County
April 30, 2020

Ballston Spa, NY — The Saratoga County Department of Public Health Services today announced that there are 349 confirmed cases of COVID-19 in Saratoga County and 10 of those individuals are hospitalized at this time.

The Department confirmed the death of two more county residents from COVID-19 — a 78-year-old female from Hadley and a 66-year-old male from Halfmoon. The total number of resident deaths from COVID-19 now stands at 14.

New Data Dashboard Unveiled

The Saratoga County Department of Public Health Services has unveiled a new data dashboard that will be updated each weekday with the most current information on COVID-19 cases in the county. The data available includes:

- A breakdown of cases and quarantines
- Hospitalizations and deaths
- Total positive cases by municipality
- Graphs on daily and total confirmed cases

A link to the data dashboard can be found at the top of the Saratoga County Department of Public Health Services' COVID-19 website, located here.

Facebook Live event

Officials from Saratoga County and community partners hosted a **Facebook Live event** earlier this week to answer questions from residents related to COVID-19. The hour-long event was hosted on the Saratoga County Office of Emergency Services Facebook page and featured:

- Peter P. Bardunias, Senior Vice President, Community Advancement, Capital Region Chamber
- Ken Slentz, Superintendent, Ballston Spa Central School District
- Sandra M. Cross, Director, Saratoga County Office for the Aging
- Todd Shimkus, President, Saratoga County Chamber of Commerce

Community members can re-watch the video here.
